Staff Behaviour Policy

Core Kids Club expects all members of staff to follow our Staff Behaviour Policy, which sets clear guidance on the standards of behaviour required from our staff. The guidance aims to encourage staff to meet the highest possible standards of conduct. Club staff are in a position of trust and influence as role models for the children in their care, and as such must demonstrate behaviour that sets a good example to all users of the setting.

Club staff also have a responsibility to maintain their reputation and the reputation of the Club, both during and outside of working hours.

Behaviour

Our staff team are ambassadors for Core Kids Club and we expect them to conduct themselves professionally at all times. Staff should treat anyone attending the Club (children, parents/carers and visitors) courteously and with respect.

We expect staff to value all the children as individuals and to comply with the Club's Equalities policy at all times.

Swearing and abusive behaviour are not tolerated from anyone at the Club. If any member of staff exhibits such behaviour they will be subject to the Club's disciplinary procedures.

Whilst working at Core Kids Club staff's responsibilities may include needing to help to set up and pack away the setting, prepare food, facilitate craft activities and engage in sporting activities with the children. The clothing and footwear worn should be Core clothes only, additional clothing should consider comfort, health and safety, and practicality. Revealing or excessively tight clothing is not acceptable.

Whilst on duty all staff should wear provided clothing at all times.

Confidentiality and social media

Staff must not pass on any information about children attending the Club, or their parents and families, to third parties without their permission. The only exception to this rule is information sharing with specific external agencies if there is a safeguarding issue. ('Third parties' includes other parents, friends, other children at the Club, the press, etc.)

Posting any material relating to the Club or its users on social media sites (unless *expressly* permitted by the Manager) is forbidden. Any staff who breach this rule will face disciplinary action.

Use of mobile phones, wearable technology and cameras

Staff personal mobile phones must be kept away during working hours. The only exception to this rule is the Lead Staff Member who may need to be contacted for collections by parents.

If a member of staff needs to make an urgent personal call they must do so away from the children as quickly as possible. Children must not be left unattended in this instance.

If a member of staff has a family emergency or similar and needs to keep their mobile phone to hand, they must obtain prior permission from the Manager or Deputy.

Staff may only use the club camera to take photographs of children at the Club, except with the express permission of the Manager.

Staff must **never** use their personal mobile phones, wearable technology or cameras to take photographs at the Club during working hours. Doing so will be considered gross misconduct and may result in dismissal.

Wearable technology such as Smartwatches and Fitbits (this list is not exhaustive) are permitted to be worn by staff. They may only be used as a watch when working with children. This means that all other functions must be disabled (using flight mode) OR specify under what terms they are allowed].

Smoking, alcohol and drugs

Staff are not permitted to smoke anywhere on the Club premises, including the outside play areas. This includes Vaping and E-cigarettes

Staff are not permitted to bring alcohol or illegal drugs onto the Club premises. If a member of staff arrives at work under the influence of alcohol or drugs they will be asked to leave immediately, and disciplinary action will be taken.

If a member of staff is taking prescription drugs which might affect their ability to function effectively, they must inform the Manager immediately.

Any prescribed medication needed by a staff member whilst at the Club, must be stored safely in the Medication Box out of reach and sight of the children attending the Club.

Staff Conduct and Suitability

Staff are expected to maintain high standards of behaviour and are expected to disclose any convictions, cautions, reprimands, warnings or other incidences that may affect their suitability to work with children. This is an ongoing commitment and expectation upon staff who are required to complete an annual declaration of continued suitability.

Low level concerns will be dealt with through the supervision procedures with your immediate line manager. Allegations about staff conduct will be handled in line with the staff disciplinary policy.

Any member of staff should feel confident to raise concerns about safe practice or other concerns about adults working with children in confidence and in line with the whistleblowing policy.
